

IWG Ing. W. Garhöfer GesmbH Code of Business Principles

Since the family-owned and managed company of IWG Ing. W. Garhöfer GesmbH was founded 60 years ago, it has been geared towards long-term growth and stability.

Profit generation is no end in itself, but serves to secure our future. We want to be as profitably as possible, to have the economic strength which we particular need to cover the remuneration of the staff, for our future visions und for realisation of the targets outlined here.
